***FREE extra solo, duet and trio recital is Sat. June 3rd after the awards ceremony if you have a ticket to one of the other shows.**

***Dancers should be dressed and ready to dance (warm & stretched) in their dressing rooms 15min. before the recitals start.**

***Seating will start 30min. before all recitals along with a slideshow of the year.**

***Everyone over age two needs a ticket. Due to complaints in the past there is no sitting on laps.**

***If you are a dancer that has a ticket to watch you must be in street clothes, not a costume (throw something over the top) Parents, I would recommend getting a ticket for your dancer to watch the show this year. It's going to be Awesome!**
