**Short Dance Studios  
NR 2017 Recital  
06/01/2017**

Please check to make sure all of your dancers' dances are listed and that their name is spelled correctly. At the bottom of this recital order (after "THE END") is a NR recital family detail. This allows you to view all of the dances, for each dancer, that is in a particular family. This will help you determine if all of your dances are on this list and if they are too close together or not. Each dancer should have at least 3 routines between their dances to allow for costume changes. If there is anything missing, incorrect, etc... please let the office staff know by Wed. April 26<sup>th</sup> at 7pm! Thanks and Happy Dancing!
