Take “Blooming Ballerina”, “Moana” or “Non-Stop Hip Hop” among other fun camps and classes to have a blast this summer. Reminder: All aspiring performing and competition dancers are required to take Star Makers and Mon/Wed Ballet.

Tell a new friend about Short Dance Studios and receive a \$20 referral credit when they sign up! (Pick up materials to pass out at the desk.)

Recital Costumes!

An email about costumes has been sent out. All New Richmond recreational classes will be getting their costumes April 16th- April 19th. All Inver Grove recreational classes will be getting their costumes April 18, 19 & 23, 24. All dancers will need a guardian present (preferably female). It is helpful to bring something to take notes. The teachers will have information about recital costumes, shoes, hair, makeup and more!

Fall Recommendations & Schedule!

The fall schedule will be available in about a month. Your teacher will send home a recommendation for which classes your dancer should take next year. It is best to follow these recommendations to ensure your child’s best fit into a class. Other classes may be taken to supplement your Ballet, Tap and Jazz technique classes.
