\*Please note that submitting dates does not mean that it is an excused absence. Submitting dates is put in place only to help us put out a schedule that works best for the majority. Per the policies and procedures for competition and performing lines the only excused absences are family death, doctor's note, religion and a graded mandatory school function. All missed classes will need to be made up.

\*We will be holding only 1 full week long intensive for this years' summer session again. It will be a full day of dancing (approx.9am-2:30pm) M-F. It will be mandatory as there is only one week offered instead of three. With this one week of classes you will get guest master teachers like you would see at the convention and learn combinations to audition for line placements on the last day. Yes, this is also audition week so it will be nearly impossible to miss and make up. \*In addition, there will still be a Ballet Intensive and M/W Ballet classes, as well as, acrobatics, captains' practices and a kids convention.

**I am looking at July 22-26 for a good possibility to hold this intensive. The dates will be set in stone very shortly.**
