The Party:

Short dance hosts in studio birthday parties that include two hours of fun and entertainment consisting of dance instruction, themed games, activities and more! Our professional staff will ensure a stress-free time for parents and a lasting memory for the birthday child. A typical party starts off with a dance party set with an amp and fun lights until all guests arrive. One of our professional instructors will then teach a short routine to the birthday child’s favorite song. **NO DANCE EXPERIENCE NEEDED!** After dancing, we sing “Happy Birthday” and enjoy cake as well as an option to open gifts. Following is themed games and activities! The last 15 minutes will be set aside to show off their new dance to parents, family and friends!

SDS runs the show – including decorations, set-up and clean up. You provide food, beverages, paper/plastic products and gift bags as wanted.

SDS Birthday Parties are \$195 and last two hours. This includes 10 guests, including the birthday child - \$10 for each additional guest.

“**Just the right fit!** My son loves to dance around the house, but we don’t have a lot of space. For a winter birthday this was perfect. He and his friends wore their favorite superhero costumes, learned some new hip hop moves, had plenty of space to play around and even learned a fun dodgeball game. They had such a blast! Thanks SDS!” –Sara Z.

“**Our daughter loved her princess party at the Short Dance Studio!** She and her friends enjoyed, dressing up and performing for the parents. We loved it because SDS took care of all the set-up, clean-up and entertainment. It was the perfect birthday party for all of us!” –Jolene M.
