Rehearsing for Recital 2019

We thank all our parents in advance for helping to facilitate practicing and stretching at home. All classes have their music on drive.google.com. The login is shrtdnc@gmail.com and the password is “SDS12345!”. Here you can listen to or download all your dancers’ music. The more practice each student does outside of the classroom the more productive each class can be and the more successful and confident each dancer will become. If you think your dancer would benefit from a video of the routine, ask your instructor when it would be best to step in and video the dance. Happy practicing!

Your friends in dance education,
Wade and Jessica Short
