

# Short Dance NR Studio 2018-2019 Recital

## “Music from the Movies”

The studio was founded in 1965, added a location in New Richmond in 1993 and became a corporation in 2001. This year's recital is a very special one as it is the 18<sup>th</sup> year since the inception of “Short Dance Studios Inc.” This year's theme “Music from the Movies” is a creative way to help you relive memories from your favorite films!

Each show will have the same order, so choosing which show to attend will be easy!

There will be three recitals at the New Richmond H.S.:

**Saturday June 1<sup>st</sup> at 11:00am (awards directly following)**

**FREE Solo, Duet, Trio Recital** – All dancers with Solos, Duets or Trios will be performing their routine at this recital only. This recital is FREE and open to anyone that has a ticket for one of the regular group recitals. This recital will run directly following the 11am show on Saturday (after awards) and before the second show on Saturday (starting approx. 2:30pm) (lasting about 1hr.).

**Saturday June 1<sup>st</sup> at 4:30pm**

**Sunday June 2<sup>nd</sup> at 11:00am**

Much time and effort has been invested to devise the best possible schedule. We are looking forward to a positive and fun recital experience for all.

The 1<sup>st</sup> draft of the NR recital order is on our website at [shortdancestudios.com/recital](http://shortdancestudios.com/recital) and is attached as a link in this email. We recommend that you print out the order and highlight each dance that your child(ren) will perform in so that you can see if any of your dances are missing or are too close together (less than 3 dances apart). We ask that you do this as soon as possible and **notify the office staff by Tuesday April 16<sup>th</sup> at 7pm with any possible changes**. We will then post a final recital draft soon after this and notify you via email that it is posted for you to print. There will also be a recital order printed for you to view with the office staff.

\*1<sup>st</sup> draft of NR recital order.
