\*The FREE extra solo, duet and trio recital will start at approximately 2:30-2:45pm.

\*Dancers should be dressed and ready to dance (warm & stretched) in their dressing rooms 15min. before the recitals start.

\*Seating will start 30min. before all recitals. A slideshow of the dance season will be playing at this time.

\*Everyone over age two needs a ticket. Due to complaints in the past there is no sitting on laps.

\*If you are a dancer that has a ticket to watch you must be in street clothes, not a costume (throw something over the top) Parents, I would recommend getting a ticket for your dancer to watch the show this year. It's going to be awesome!
