

Dear Dance Team Coach:

Here is some information on our dance technique intensives and classes, as well as, our choreography and cleaning sessions. Every year over 400 school aged kids come to our new spacious studios for dance and acrobatic classes. We are New Richmond's largest and Inver Grove Heights' only dance studio. We have a lot of experience with kids as our studios' programs start for students aged 18mos. and up. We have been in business over 50 years.

You are able to choose from a team of instructors with professional dance backgrounds and college degrees in dance. Our staff includes, but is not limited to, a Division I Dance Team Captain, a Timberwolves Dancer, multiple award-winning Ballet, Jazz, Modern and Contemporary choreographers, a former Division 1 competitive gymnast and a multiple state champion.

We have worked with dance teams around your area to enhance their technique, as well as, choreographed winning routines and would love the opportunity to work with your team to become more successful.

You can choose from many options or mix and match to fit the needs of your team:

\*All of the following can be done at your facility or ours.

\*Discounts for dancers or coaches' and for whole team participation.

1. **Technique Intensive** - We provide technical classes over a 3 to 5 day period working Ballet, Lyrical, Jazz, Turns, Jumps & Leaps, etc... You will also receive a day to day curriculum to follow while in your regular team practices. Weekend conventions with guest master instructors also available!
2. **Technique Classes** - We provide technique classes each week working Ballet, Lyrical, Jazz, Turns, Jumps & Leaps, etc...
3. **Choreography** – We provide an intricately cut piece of music with a choreographed routine of any type of dance you choose following your district/states rules/requirements.
4. **Cleaning Session(s)** – No matter who choreographs your routine we will come in and clean it for you. Sometimes an outside set of eyes can make the difference between 1<sup>st</sup> and 2<sup>nd</sup> place.
5. **Studio Dance** - After your season ends you can have the opportunity to learn a routine to be performed at our annual recital and the possibility to compete at a local competition.

We look forward to working with your dance team in the near future. If you have any questions, please give us a call. You can also get more information about our dance studios on our website. [www.shortdancestudios.com](http://www.shortdancestudios.com).
