Happy New Year!

Happy New Year from the Short Dance Studios. We have set some New Year's resolutions for the studio and are excited for all the good things they will bring. As many of you have experienced once it is January, the recital will be here in no time at all! The dancers have been working very hard in their classes and are learning their dances for recital. Ask them to show you and encourage practicing at home.

**Thank you for your continued support,
Short Dance Studios**
