Rehearsing for Recital 2021

We thank all our parents in advance for helping to facilitate practicing and stretching at home. All classes have their music on the band app. Here you can listen to all of your dancers' music. The more practice each student does outside of the classroom the more productive each class can be and the more successful and confident each dancer will become. If you think your dancer would benefit from a video of the routine, ask your instructor when it would be best to step in and video the dance. Happy practicing!

Your friends in dance education,
Wade and Jessica Short

Costumes

All Recreational dance classes will get their costumes April 19-22! So exciting!!! You will try on your costumes during your regularly scheduled class. A chaperone, preferably same gender as the dancer, is asked to be at each class to take notes and collect all costume pieces. Your teacher will go over performance hair and makeup for you as well. If you would like to see a Ballet Bun and Make-up tutorial, please go to the Short Dance Band page and scroll back to the end of March 2020.

Summer Registration

Now open! Register early to save your spot! Be sure to get a flyer of classes and fun mini camps from the desk! Summer is a wonderful way to try a new class and to continue technique learned throughout the year.

Check out our STAR MAKERS session to improve your skills and Monday/Wednesday Ballet to improve your technique. Reminder: all dancers wanting to be on a performing or competition line are required to take the STAR MAKERS session July 19-22 in NR and July 26-30 in IGH. Auditions are on the last day. Performing and competition dancers are also required to take Mon/Wed Ballet. Ask about our Bogo deal and daily drop-in rates for STAR MAKERS. (See summer brochure for details.)
