## Rehearsing for Recital 2022

We thank all our parents in advance for helping to facilitate practicing and stretching at home. All classes have their music on Band. Ask your instructor for their Band page name if you are not already connected to it. The more practice each student does outside of the classroom the more productive the class can be and the more successful and confident each dancer will become. If you or your dancer would benefit from a video of the routine, ask your instructor when it would be best to step in and video the dance. Happy practicing!

Your friends in dance education,  
Wade and Jessica Short

## Recital Apparel

Recital apparel will be on sale very soon. Keep your eye out for this email as you will have a limited time to place your order and some of these items may never be available to purchase again. As a reminder, as part of our SDS recital keepsake package all dancers will receive a recital shirt with ALL of their names on the back. Additional recital shirts can be purchased during this order.

## Summer Registration

Now open! Register early to save your spot! Be sure to get a flyer of classes and fun mini camps from the desk! Summer is a wonderful way to try a new class and to continue technique learned throughout the year.

Check out our STAR MAKERS session to improve your skills and Monday/Wednesday Ballet to improve your technique. Reminder: all dancers wanting to be on a performing or competition line are required to take the STAR MAKERS session July 18-22 in NR and July 25-29 in IGH. Auditions are on the last day. Performing and competition dancers are also required to take Mon/Wed Ballet. (See summer brochure for details.)

Tell a new friend about Short Dance Studios and receive a \$20 referral credit when they register.

## Fall Classes

The fall schedule will be available very soon. Your teacher will send home a recommendation for which classes your dancer should take next year. It is best to follow these recommendations to ensure your child's best fit into a class. Don't forget to check out a fun half hour hip hop, modern, or jazz class!
