Intermission - during recitals only

*Blue highlights have IGH dancers in the routine.

*Solos & Duet/Trios will not have to rehearse on stage this day.

*NR recitals are Sat. June 4th @ 10am (with awards ceremony following) & 4:30pm and Sun. June 5th @ 10am.

*FREE extra solo, duet and trio recital is Sat. June 4th after the awards ceremony if you have a ticket to one of the other shows.

*The Free extra solo, duet and trio recital will start at approximately 2:00pm and last about 1.5hrs.

*Dancers should be dressed and ready to dance (warm & stretched) in their dressing rooms 15min. before the recitals start.

*Seating will start 30min. before all recitals. A slideshow of the dance season will be playing at this time.

*Everyone over age two needs a ticket. Due to complaints in the past there is no sitting on laps.

*If you are a dancer that has a ticket to watch you must be in street clothes, not a costume (throw something over the

top) Parents, I would recommend getting a ticket for your dancer to watch the show this year. It's going to be awesome!
