

# STAR MAKERS!!!

Star Makers convention is an inspiring week of technique and choreography with master teachers and guest artists! Gain experience and confidence through working skills and new styles of dance. Auditions for performing and competition lines will take place on Friday of this Star Makers week by performing choreography learned throughout the week.

ALL Levels and Ages \*Classes split by age and experience.

IGH: July 22-26 and NR: July 29-Aug.2 Time: 9:30am -2:30pm Tuition: \$275

Summer technique classes will enhance dance skills and prepare dancers for future fall classes, performances and competitions.

Are you ready to take your dancer to the next level?

We offer 3 levels of commitment (recreational, performing and competitive). ALL are invited to experience STAR MAKERS!

\*Our recreational classes are fun and inspiring for those dancers that just want to be on the recital stage.

\*Our performing classes are great for dancers who love to perform and are ready to step onto the local competition stage.

\*Our competitive dancers are those that want a challenge and attend multiple conventions, competitions and nationals.

*\*All dancers auditioning for a Performing/Competition line must take the Star Makers session and summer M/W Ballet to keep up and improve skills. Star Makers will include the auditions for performing and competition line placements.*
