Happy New Year from Short Dance Studios!

We're thrilled to kick off 2025 and celebrate a momentous milestone—*60 years since our founding in 1965!* This year's recital theme, *Time to Celebrate*, honors the incredible journey we've shared. As dancers prepare their recital routines, we encourage practicing at home and sharing their progress with loved ones. We're deeply grateful for our amazing dancers, supportive families, dedicated staff, and wonderful community—your contributions make Short Dance Studios the special place it is. Here's to a fantastic year of joy, growth, and celebration together!

Convention 2025 !

Everyone is welcome to participate in this year's SDS convention on January 18th and 19th. This is the only convention in the area with small class sizes, over \$2,400 in scholarships, as well as free t-shirts and autographs. Get inspired and motivated with instructors from across the country. The convention is open to ALL dancers (not just current students) ages 7 and up.

6 week session classes!

Spread the word and reserve your spot now! Classes available for all ages and abilities! Our upcoming 6-week session classes start January 20th. It is an excellent opportunity for younger students to give dance a try.

TRY NOW! Move and Me (ages 18mos.-2yrs.) classes and let us know if you are interested in adult classes.

Father/Daughter Dance in the Recital!

Information will be coming out this month regarding this fun recital dance. Exact practice times will be on your registration flyer. Last year, our dancers and their family members were AWESOME in the recital! We can't wait to see your moves again this year.
